Peace and Allah's mercy and blessings be upon you

Sorry my beloved brother for the delayed reply, but I was in touch with honorable brothers and waiting for an answer from them to some questions

My honorable brother, the phrase that you chose is appropriate and it is the one agreed upon from now on and according to the circumstances dictating its use

Regarding your question about our beloved Shaykh, you will certainly have a meeting with him if Allah Almighty predestines it, however he is in the area that you know and this means joining him and the ranks of the brothers there

I say that because as I have mentioned in the previous message, the brothers are still studying the matter of benefiting from us and what is best for the benefit of our cause and where

In regards to your ability to contact the family during your absence, there are many means to achieving this, either through the brothers who are present here or through you directly and depending on your field situation, and the requirements of your mission

I was going to write to you about the Campaign of the Great Rendezvous however I found a video on Shabakat al Ma'arik al Salafiyyah, in which our beloved Shaykh talks about the campaign, so, with Allah's permission there will be an opportunity for you to see him and to listen to his voice, and that you may be pleased with that. Put the phrase, the Campaign of the Great Rendezvous in the search field in the forum and the link will appear to you

The issue of departure from here is very easy as you will leave from here to some country where there will be a brother to welcome you and who will be responsible for you and for taking you to your destination, either directly or through countries in which we have certain arrangements to facilitate movement

My brother, Aba-al-Ayyubi, based on what was stated and what we have talked about thus far and what I have told the brothers, these brothers have some questions that I hope you will be able to answer so that we will be successful in making a decision regarding the best way for cooperating in what serves our precious nation and our true religion and what pleases the Lord of the universe

Have you traveled to Arab or foreign countries before?/Where, and did you face any difficulties because of your original nationality?/Does the expiration on your passport allow you to travel within the period of two years?/Do you have the necessary finances to cover the cost of travel and movement until you connect with the brothers in charge of getting you to your destination?/What are the languages that you are proficient in and what is your proficiency level? For clarification, the issue about the finances is very easy if necessary

My beloved brother, Allah is a witness to what I am saying, all that I have received from you indicates that you are one of the lions of this nation, and I have no doubt about this, and Allah willing you will receive what you desire and be an example for those who have gone forth in the path of Allah may He be praised and exalted

My brother Aba-al-Ayyubi, Allah willing we'll stay in touch and I will inform you of any developments as soon as I know about them

Your brother Al-Karkhi
